Hill's

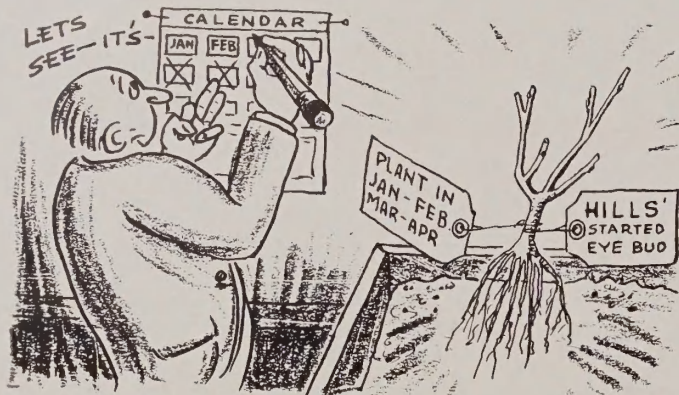

R O S E P L A N T S

It has been our custom for the past forty years to issue, about January 1st, an annual Rose Plant Catalog. This year, in place of that catalog, we will send you from time to time a letter listing the rose varieties we have in BUDDED and GRAFTED ROSE PLANTS. By this method we hope to serve you better by giving you a more up-to-the-minute report on what rose varieties are still available.
